A Message From Our Worthy Grand Knight

Brother Knights,

New beginnings are upon us. Our church renovations are complete, or should be by the time you are reading this. As a reminder, Masses will resume in the newly renovated Church on the weekend of October 3, 2009. I look forward to seeing many of you there at the Jubilee Celebration and rededication of the Church on October 17th and 18th. If you have Council shirts, pins, etcetera I encourage all wearing them to Masses and the other celebrations. Let our parish know we are here!!!

Please continue to talk about and invite friends and neighbors to our Fall Dance on October 23rd. The more the merrier truly applies at a dance such as this one. Please continue to pray for our parish community as well as our council. There is much we can accomplish, if we work together!!

Pray the Rosary!

Vivat Jesus!!!

Tim Brown, Grand Knight

Sir Knights and Worthy Brethren,

I would like to begin this column with a brief report on our Breakfast Taco Sale on September 20, 2009. We fed a lot of hungry people on that morning and did very well.

Most importantly, to those Brothers that showed up and

assisted, our Worthy Grand Knight has asked me to convey his most heartfelt thanks. Brothers, we had a blast!! The camaraderie was thick and flowing in the kitchen. I think it safe to say we all had a great time. We took in \$296.05 and our expenses were \$88.14 leaving a net total profit of \$207.91. Thanks to those that were present: T. Brown, J. Jones, J. Reyes, A. Alvarez, J. Alonzo, R. Hodge, W. Medina, R. Flemming, M. Lopez, H. Deeter, J. Faz and G. Milam. Photos of the event will be published on our website very soon.

As always, if anyone would like to have an article published, just email it to me at gamilam@satx.rr.com or you can mail it to me regular mail at 5746 Canterbury Run, San Antonio, TX 78228. Please understand I may have to edit it due to available space. Please ensure I have your article no later than the last week of the month prior to publication.

This month we have yet *another* reminder from Brother Springer, our Financial Secretary; **PLEASE PAY YOUR DUES GENTLEMEN!!!!**

A message from the Arch-Bishop

“Official Statement: Health Care Reform, in order to be moral and just, must respect all life.”

“A joint statement from Archbishop José H. Gomez & Bishop Oscar Cantú”

America is preparing to engage in a critical public debate to identify a proper path for this nation to follow toward health care reform. We encourage you to write to your senators and your representative in the Congress, and assure them that no path to health care reform can allow tax dollars to be used to destroy innocent life or discriminate against health care providers who, as a matter of conscience, refuse to "provide, pay for, provide coverage of, or refer for abortion."

We believe that health care is a fundamental right, not a privilege. We believe that any health care designed and adopted must protect and respect the life and dignity of every human person from

the moment of conception to natural death. For decades, we, the Bishops of United States , have long supported the principle of making health care available and affordable for all people.

We join with Bishop William F. Murphy, Chairman of the Committee on Domestic Justice and Human Development for the USCCB, who, in his letter to members of the House of Representatives and the Senate, wrote, "Health care reform needs to reflect basic ethical principles. We offer these as a guide:

- a truly universal health policy with respect for human life and dignity;
- access for all with a special concern for the poor and inclusion of legal immigrants;
- pursuing the common good and preserving pluralism including freedom of conscience and variety of options; and
- restraining costs and applying them equitably across the spectrum of payers."

To find out more about what you can do to make your voice heard at this critical moment in the health care debate read the "Action Alert" from the bishops of the United States at this web address:

Archbishop José H. Gomez, S.T.D.
